- 3 production units in Brazil and 1 in the USA;
- R&D Center with 3 labs and a pilot plant;
- Sales representatives in Latam, USA, Europe and Asia;
- Warehouses in Brazil, USA and Europe.

## On Biorigin

Biorigin is a Brazilian company, founded in 2003, that applies knowledge and technology to promote health and quality of life. Present in the Animal Nutrition market since 1994 as an ingredient supplier, Biorigin is constantly developing new solutions to meet customers' expectations for natural ingredients that promote animal performance, health, and well-being. Biorigin is a business unit of Zilor, a company that has more than 70 years of experience and it is one of the largest Brazilian producers of ethanol, sugar, and electricity from sugarcane.

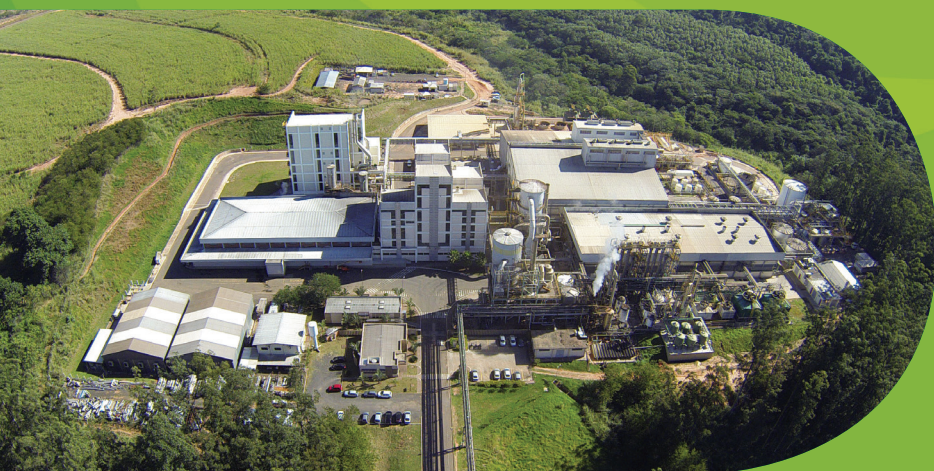

- ISO 22000
- FSSC 22000
- SQF Certified
- GMP +
- Kosher
- Halal

We ensure the control of the entire production process, from the raw materials to the finished products, providing greater safety to our customers and partners.

Biorigin is the first yeast extract and derivatives producer to achieve Bonsucro Chain of Custody Standard for fermentable sugar and yeast creams from sugarcane, reinforcing Biorigin's commitment to social, environmental and economic practices through sustainable sourcing.
